*I'm just really really so appreciative of everything that you've done in our work together. I feel really seen and supported. [It's] made a huge difference to me....The level of clarity is insane. I had another download this morning. I keep getting the veil pierced more, the more I'm clearing out things and the door is opening... I just need to plant the seed and set it into motion.* - L. Wolfe

*Working with Candice was powerful. She's amazing with energy, she sees so many aspects of possibilities! She really helped me to hone my focus like a laser and to say "no" to spending my precious time on projects, people and ideas that are not a part of my exact plans for myself and my business growth. Candice is a wonderful guide.* - M. Kelly
