PARTNERSHIP OPTIONS

Odell Bizzell works with organizations that want their leaders to develop the skills necessary to thrive in a diverse workplace.

WHAT CLIENTS HAVE TO SAY...

“Odell is my go to for diversity, equity, inclusion, and life skills training. He teaches leaders skills, not just facts and statistics. You should book Odell.”

- Bennie Williams, Assistant Dean of Students
Director of Multicultural Student Center
Canisius College

“We had Odell with our administrators, students leaders, and advisers for 4 days and he was amazing and high energy. You would be doing your organization if you didn’t bring Odell in to your company.”

- Eric Moss, Assistant Director of SSS
Eastern Florida State College TRIO Grant

“Fun, dynamic, and thought provoking. We’ve hired Odell 3 consecutive years to speak to our first year students about diversity, equity, and inclusion. Anybody that can keep the attention of 2,000 students is a must have at any organization.”

- Kristin Schumacher
Director of University Centers

“We had Odell come in and speak for all of our staff about diversity, equity, and inclusion and the biggest thing he did for our group was he gave us the skills necessary to get better despite our biases and backgrounds. Amazing!”

- Kelly Renteria-Evans, Director of ETS Grant
Vincennes University
