## CHRIST OUR LIGHT

Dear St. John's Parish Family,

On behalf of our Parish Staff, I wish you and your family a blessed Thanksgiving and Christmas season! In the past several months, as our church and our society slowly recover from the COVID-19 pandemic, we are truly hopeful for the future. I have been greatly encouraged seeing more and more people returning to weekly worship at St. John's and welcome over 100 new families that have registered in our parish family in the past year!

While the pandemic has caused an unprecedented interruption in our lives, it has also presented some amazing opportunities. As you may know, back in March 2020 when churches were shut down, we scrambled and pivoted toward Live Streaming of the Weekend Mass that reached out to parishioners as well as non-parishioners, in line with our Vision and Mission to **Go and Make Disciples** (Matthew 28:18). Though collections were understandably reduced, we managed to purchase and install the technology needed for Live Streaming, continued to make payments on our mortgage and maintained a balanced budget, all thanks to your generosity!

We are looking to complete new capital projects to support our Mission. **During the next year, we want to enhance both our in-person and streaming by taking advantage of newer technologies to improve the sound and lighting in the church. A list of these improvements will be posted at church and on our website.** Once these projects are completed, additional projects will be planned with remaining funds. Realize that capital projects often cannot be funded only from weekly collections. That is why we decided to run a Mini Capital Campaign "**Christ Our Light**" to fund these necessary capital improvements.

There is information on the other side of the page that details how each of us can make a sacrificial gift using the Suggested Gift Chart to the **Christ Our Light** Campaign. The Gift Chart shows pledges in a wide range of payments over the course of three months which will make it possible for many families to take part in the program and not commit to a long-term payment plan. Even if you are unable to make a financial gift, please return the envelope with an expression of your prayerful needs and support.

Time will be set aside during all Masses on the **weekend of November 20-21** for St. John's Parishioners to make your pledge. Please bring your response envelope, or be prepared to complete an envelope at Mass.

While I realize this is a time of great economic hardship, I humbly ask you to prayerfully consider committing to a financial gift for our parish projects. Any amount, however small, is most appreciated. If you are unable to give financially, know that I am grateful for your gift of presence in our community.

Thank you for reviewing the contents of this letter and for your prayerful consideration about how you can support our parish. Please know that you and your families remain in my daily prayers, and I humbly ask that I remain in yours.

Sincerely in Christ,

Fr. Reichlen
